# WHAT'S HAPPENING IN CITRUS HEIGHTS?

## CAPITAL IMPROVEMENT PROJECTS ARE UNDERWAY!

The City has many infrastructure projects happening in 2025 to better various modes of transportation and enhance our community for residents and visitors.

- **Residential Street Resurfacing Project:**

This project is helping take our annual coverage of 2 centerline miles to 52 centerline miles, ensuring smoother and safer travel on the roads we all use daily.

- **Auburn Blvd Complete Streets Phase 2:**

This complete street project will see improvements to sidewalks, street lighting, traffic signals, landscaping, include a new asphalt layer, and a "Welcome to Citrus Heights" gateway structure.

- **Sunrise Blvd Resurfacing Project:**

Sunrise Blvd, from Madison Ave to Greenback Ln, will be resurfaced through our new Pavement Restoration Plan. This initiative is a citywide effort to enhance our streets, with projects starting in 2025 through 2027.
