Letter
1
STATE OF CALIFORNIA

April 22, 2011

Colleen McDuffee
City of Citrus Heights
6237 Fountain Square Drive
Citrus Heights, CA 95621

Subject: City of Citrus Heights General Plan Update and Greenhouse Gas Reduction Plan
SCH#: 2010072041

Dear Colleen McDuffee:

The State Clearinghouse submitted the above named Draft EIR to selected state agencies for review. The review period closed on April 21, 2011, and no state agencies submitted comments by that date. This letter acknowledges that you have complied with the State Clearinghouse review requirements for draft environmental documents, pursuant to the California Environmental Quality Act.

1-1

Please call the State Clearinghouse at (916) 445-0613 if you have any questions regarding the environmental review process. If you have a question about the above-named project, please refer to the ten-digit State Clearinghouse number when contacting this office.

Sincerely,

Scott Morgan
Director, State Clearinghouse

Project Title City of Citrus Heights General Plan Update and Greenhouse Gas Reduction Plan
Lead Agency Citrus Heights, City of

Type EIR Draft EIR
Description The project proposes to update the City's existing General Plan elements and prepare a new GGRP that will implement the Draft General Plan. The overarching purpose of the updated plan is to provide a policy framework for improved mobility, complete streets, sustainable development, water quality and conservation and flood hazard management in the City of Citrus Heights and its planning area. The GGRP is an implementing action of the Draft General Plan, which will locally help meet statewide obligations to comply with Assembly Bill (AB) 32.

Note: Blanks in data fields result from insufficient information provided by lead agency.

- 1-1 The commenter acknowledges that the State Clearinghouse submitted the DEIR to selected state agencies for review, and that no state agencies submitted comments by the closing date of April 22, 2011. The commenter states that City has complied with State Clearinghouse review requirements pursuant to CEQA. The comment does not raise any issue related to the adequacy of environmental analysis conducted in the DEIR. No further response is required.
